

THIRD GRADE TIMES

October 2020

Dates to Remember!

October 1	Board of Education meeting LHS
October 4	Fire Prevention Week

VIRTUAL LEARNING TIPS

- Create a routine
- Find a quiet space to work
- Log into a meet 5 minutes early
- Participate regularly

Reading

- Building a reading life
- Work on increasing stamina
- Select "just-right" books

Writing

- * Writing structure
- * Writing craft
- * Edit for capitals and punctuation

You can help your child master their **addition and subtraction** facts by helping him/her practice every night!

Math

- Place Value
- Addition with regrouping
- Rounding

Social Studies

- * Identify the 7 continents and 5 oceans
- * Identify where they live

Children must read at home **every night**.

Help your child to understand what they're reading by asking these questions.

- What was your book mostly about?
- How would you describe the main character?
- What was the problem and solution?
- What prediction did you make? Did it come true?

Music

In music class, we will be learning the lines and spaces of the treble clef and begin basic note name identification. Students will also review different rhythms in simple time by counting and subdividing to create the correct number of beats in each measure of music.

Art

Students will gain knowledge of line, shape, form, color, and texture through the techniques and tools utilized in each drawing lesson

*Materials and Skills: color theory value and Intensity.

*Measurement and spatial and balance relationships are obtained through the skills obtained during lessons. Art History Connections Romero Britto Brazilian Pop artist.

Physical Education

As we continue to navigate uncharted and uncertain waters, rest assured that your physical education teachers have the map to guide you toward your fitness goals. We will be continuing to adjust to pacing ourselves in activities while wearing masks to get more familiar with our limitations in our body weight locomotor fitness course. Be sure to check the Google Classroom for supplementary activities to complete at home.

Library

Welcome back to another great school year! For the month of October, third students will begin to take out library books to enjoy at home! We have some new rules about book procedures so please make sure to keep an eye out for the new changes! In class, students will continue to familiarize themselves with the different sections of the library, learn how to use the tools and resources in the library including signs and shelf markers and will also be introduced to the online cataloging system.
