

First Grade October Newsletter

ELA

Readers' Workshop

Tackling Trouble Words and Tricky Parts- Students will be using all they know about letters, sounds, and patterns to help them read. They will work on fixing words when they know something is not right, and becoming stronger readers by sharing books with friends.

Writers' Workshop

Small Moments- Students will continue to write personal narratives. The focus of their writing will be on small moments, concentrating on adding details and dialogue.

Please continue to support your child's reading. Don't forget to enter it in on their log!

Fundations

This month students will be practicing tapping and blending consonant-vowel-consonant words. For example, c-a-t.

Social Studies and Science

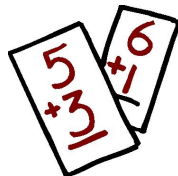

- Christopher Columbus
- Lifecycle of a pumpkin
- Fire Prevention & Safety

The Coram Fire Department is scheduled to visit our school on Friday, October 6. Please encourage your child to participate in the Coram Fire Department poster contest!

Math

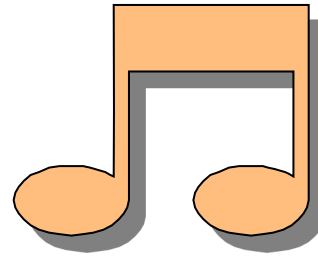

This month in math students will continue to work on addition and subtraction strategies. Please practice number facts to 10.

Special Area News

Music

For the month of October the children will be learning about rhythm and steady beat. They will learn this through singing games and playing wooden xylophones.

Library

Students have begun to check out library books. Students may visit the library and exchange books at any time. Your child's teacher may designate a special day for them to return and check out a new book. Please help your child be responsible and return their library books weekly. Happy Reading!!

Physical Education

This month we will be working on:

- Ball Skills including tossing, catching and throwing
- Ball Handling Basketball Skills rolling, bouncing, catching, passing and shooting
- Introduction to Fitness Concepts, activities and a preview to Fitness Challenge in Spring.

English Language Learners

Ms. Selzer has begun the testing process for students whose native language is not English. The New York State Education Department has implemented an entrance program to identify English Language Learners. The ENL program will begin as soon as testing has been completed.

The ENL program will focus on enhancing the skill areas of reading, writing, listening, and speaking by integrating the content areas of English Language Arts, Math, Science, and Social Studies. The ENL teachers look forward to a happy and productive year.
